Dear Sir:

In response to the USPTO communication of July 14, 2005, wherein Applicant's representatives were informed that Applicants' previous transmittal of February 17, 2005 was not fully responsive and could not be entered due to excessive facsimile distortion, Applicant's representatives request entry of the following from such previous transmittal:

- 1. Request To Amend Title Of The Application.
- 2. Revocation And Appointment Of Power Of Attorney.

Note, it is presumed that the previous transmittal filed July 14, 2005 was not entered. Thus, the pending claims are currently believed to be identical to those that have been most recently allowed.

However, it is requested that the Examiner reconsider the pending claims in light of the IDS's that have been filed with, and subsequently to, the Request for Continued Examination filed on February 23, 2005.

It is believed that no fees are due with this transmittal. However, if any fees are due, please debit deposit account 19-1970.
